**Uplifting**  
**Nurturing**  
**Inclusive**  
**Trusting**  
**Empowering**  
**Dignified**

Telford Together with Refugees  
is a partnership organisation  
working to bring people  
together in UNITED communities

*"....the people here , I see them as nice,  
whether in the market or on the road,  
I always see kindness and gentleness in them...."*

*".....thank you for helping me get  
used to a new home, new  
environment, and new people..."*

*"...Telford is a quiet,  
peaceful place, it helps  
you rest morally after a  
difficult journey..."*

## Our Purpose

To create caring and inclusive  
communities by helping those  
seeking refuge and asylum to  
live positively as valued and  
contributing residents of the  
local area

## Our Activities

### 1. Help with essentials

Because most arrive with a single set of clothes we will help with the basics

### 2. Opportunity to Learn

As there is no initial access to public education, we support the provision of English classes

### 3. Access to sports & exercise

Taking part in activities supports both physical and mental health

### 4. Wellbeing Activities

Creative arts, craft and music sessions aid wellbeing, reduce isolation and promote social engagement

*"...Everyone is kind, knowledgeable and full of desire to help people, for which I am grateful to each and every one of them..."*

**WE NEED  
YOUR HELP**

**5. Advice and Information**  
Supporting access to and understanding of reliable sources of information

**6. Help in a Crisis**  
Offering friendship and support at the most difficult times

**7. Generating Resources**  
Seeking donations and raising funds pays for volunteer and activity costs

*"...I can only say thank you and express great respect for the country, the people..."*
